"My mom taught Spanish here at Marshall Junior High and my dad performed on the stage. In honor of their love for this building, my two siblings and I purchased two seats in their memory."

- Laura Schlichting Miles

Mick and I both went to Junior High at Marshall, and when we purchased seats for our two daughters and the two of us, we hoped they would enjoy this wonderful theater. During JPAC's first musical theatre performance by Theatre Unlimited of "The Sound of Music", Mick, Nicole and Sarah all performed on this stage! It was a wonderful memory for our family!"

- Jane Blain Gilbertson

We loved the idea that there was something for everyone at JPAC, with thousands of people having access to a downtown arts & cultural center. Sponsoring a seat was a great investment in the community and for the future of downtown Janesville.

- Oakleigh Ryan

HELP US FILL THE SEATS

The Janesville Performing Arts Center is a vital part to Janesville's thriving downtown area and the culture of Rock County. Opened in 2004, the physical structure now stands as a beautiful example of an adaptive reuse of an historic downtown property, ready to serve the local arts community and the residents of Rock County.

Help us "FILL THE SEATS!" at JPAC through a seat sponsorship towards our \$350,000 goal. Your sponsorship will be used to create a Building Fund, a necessary resource to maintain an aging historic facility. JPAC has become a relevant, valuable resource resulting in increased building usage and attendance. This increase has meant significant wear and tear on the center and its equipment, impacting our ability to support artistic programs and services.

The JPAC Seating Sponsorship offers a unique opportunity to create a prominent legacy in this historic landmark. Your donation to JPAC will place your name, or the name of your family, friend, or loved one in the spotlight of our grand theatre. Your donation will be commemorated with a personalized elegant brass plaque that will be mounted in the center of one of our classically restored seats.
